Known as the popular virtual genie, Akinator or Aki for short, lets you imagine a real or fictional character and just by asking a few questions, he will tell you exactly who you're thinking about. It isn't a simple guessing game as Aki will also challenge you to think more creatively to win coins and wards that you can use for wider customization of Akinator the genie. The game also allows you to dress and customize Aki's get-up and background so keep collecting those coins. Extension Features: 1. Lets you play the Akinator game on PC. 2. Full and always up-to-date PC version of the game. 3. Free access to a library of more games. 4. Absolutely no cost, Akinator and all other games are free to play. How do I uninstall this extension? 1. Click on the button with three horizontal lines or the three dots found in the upper right-hand corner of your Chrome™ browser. 2. From the drop-down menu click More Tools > Extensions. 3. Next to the extension you want to remove, click Remove. 4. If you simply want to hide the extension but not remove it, you can un-check the Enabled button. 5. Restart Chrome™ browser By installing this extension, you agree to the End User License Agreement (and Privacy Policy (
